TREE OF LIFE
Revelation 22:1-3
"Then the angel showed me the river of the water of life, as clear as crystal, flowing from the throne of God and of the Lamb down the middle of the great street of the city. On each side of the river stood the tree of life, bearing twelve crops of fruit, yielding its fruit every month. And the leaves of the tree are for the healing of the nations. No longer will there be any curse. The throne of God and of the Lamb will be in the city, and his servants will serve him."

HISTORY/GEOGRAPHY

Please Note: We will study Asia for the remainder of this year. Asia is a continent with many cultures, climates, and countries. It is home to some of the most populous countries on earth. We recommend studying a variety of countries from different parts of the continent throughout the year.

All about Asia

- Asia is the largest continent, covering about 30% of Earth's land area.
- It is the most populated continent, with over 4.7 billion people (more than half of the world's population).

Why the Rainbow?

Because God always keeps His promises...AND we're tired of the world hijacking things that belong to the Lord! We're not proud of sin; we humble ourselves to fervently seek that Lord and ask Him to remember mercy:

"LORD, I have heard of your fame; I stand in awe of your deeds, LORD. Repeat them in our day, in our time make them known; in wrath remember mercy." Habakkuk 3:2 NIV

God gave the rainbow as a sign after He destroyed the earth by a flood. He saved Noah and his family because Noah trusted and obeyed God. The rainbow is a beautiful, physical reminder of the covenant that God made with the world to never destroy the earth with a flood again. He is a righteous God, and He saves those who trust and obey Him. He *always* keeps His promises. Jesus is coming again, and those who trust and believe Him will see God's promise of a new heaven and a new earth where Righteousness dwells. Jesus made a New Covenant with us in His blood, and through His sacrifice we can escape the wrath and fire to come. We can freely accept His mercy and, like Noah, choose obedience and faithfulness to the Lord in a generation of wickedness.

God's promises aren't just for people in the Bible. You hold this curriculum in your hand because God is a promise-making and promise-keeping God. He is faithful, and we can trust and obey Him!

BIBLE PROJECT

For the rest of this unit, instead of grammar you've learned to a final Bible project.

This year you've heard/read the Bible and learned about Judah, Psalms, and Teachings of Wisdom. The power, greatness, sternness, and kindness in You have learned God's expectations of His people and suffer when they didn't.

To end the year, you are going to make a Bible portion of a Bible Timeline you may add to it:

- Please include the timeline of the Kingdoms
- Please include writings from Psalms and way to incorporate these.
- Please highlight stories that stood out to you in a few sentences and what someone can learn.
- Please choose one story to interview someone one direct quote from your interview in your project.
- Plan to make this several pages long. You better for your family for space/storage.
- Make this visually engaging. Be creative.

GRAMMAR PROJECT

Punctuating Dialogue: There are specific rules to how we use quotation marks to set apart what someone is saying. We use quotation marks to set apart what someone is saying.

If the speaker is named before the quote, a comma goes within the quotation marks.

Example: Jesus said, "Blessed are the poor in spirit, for theirs is the kingdom of heaven."

If the speaker is named after the quote, use a colon within the quotation marks.

Examples:

"Love must be sincere," said Paul in his letter to the Romans.

"Don't touch! It's hot!" shouted Mom.

Please add quotation marks and missing punctuation.

- Jesus said I am the light of the world
- Then Peter asked Lord if it is really you
- Go and make disciples of all nations command
- Mary exclaimed My Lord has risen
- The angel said Do not be afraid, for I bring you good news
- Saul shouted Who are you, Lord
- Jesus told them Truly I tell you, today you will see the Son of Man sitting at the right hand of the Father

Please write a sentence with a quote before the speaker's name.

Please write a sentence with the speaker in the middle of the quote.

CURRICULUM

The year you're teaching the little princesses about the Kingdoms of Israel, Judah, Psalms, and teachings of wisdom. There are some incredible stories of God's power, greatness, goodness, and wisdom in these books. You need to read David's expressions of His people and see them prosper when they obey and suffer when they don't.

- To make the plan, you are going to make subtle changes. If you have already created a portion of a Bible Timeline you may wish to:
 - Place inside the timeline of the Haggadah offered and read!
 - Remove the date settings from the timeline and fix them to your timeline. Find a creative way to represent the dates.
 - Update highlights, stories that stand out to you. Find a summary of each story in a few sentences and avoid repetition.
 - Update related case projects, unique problems that show, drawing questions and use case direct space from your timeline to your project.
 - Make it make the overall picture, you may make it according to if that works better for your family for generations.
 - Make the family engaging, be creative, be the one you represent!

Feeling Nervous? That's all right; you're a grammarian when you're speaking. We are speaking, after all, and your comments will be a lot.

Five apostrophes is weird before the quote, a comma before it is same, so drive inside

Example *jeus* is a 10. We need one the pair *jeus* in *jeus* in the singular of *jeus*.

File number is placed after the quote, not a comma, parenthesis, or quote.

Example

¹ "Don't worry about it," said Paul with a smile as the telephone rang.
"Don't worry about it," said Paul with a smile.

Please add quotation marks and missing punctuation to the following sentence:

3. Give it that little extra light of the candle

3. Generalized divides of relations, represented here in the above example.

4. Many excellent Mylar® have been

3. The angel said he was to child for living you good come.

15. Your friend asks you for your phone number. You say, "I don't have a phone number."

Place the pictures with subjects in the circle.

These data compare with the results in the middle of the distribution of the variables.
